The vibrant city of Budapest has various faces. At night it calms down, the lights are lit, and a new city awakens after sunset. The delicious meals prepared by Chef Molnérka Péter for the warm buffet dinner are traditional hungarian ones, internationals and vegatarian dishes.

Great way to start our Christmas Eve. We enjoyed the cruise, the food and the live music. The*

cruise gives you great views over the highlights of Budapest, which you cannot get from anywhere else; we specially liked the Parliament building. I suggest getting to the meeting point 10 minutes before the given time to avoid the big queue. The only thing I would have liked to get is one more drink included in the price. Overall a great evening, very recommended.
