Budapest has many faces. This vibrant city calms down a little bit at nights, lights are lit up, and a new city comes out from the twilight. We created this program for those who would like to enjoy the wonderful view of the city swimming in lights in a romantic candlelight atmosphere, and have a romantic dinner on a boat with live music. The meals are prepared by Chef Peter Molnarka.

If you're a wine loving romantic type, enjoy the special Wine Cruise option on our Valentine's Day Boat! You will have the chance to taste 7 of Hungary's famous vinos, including, the most popular of them all, the Tokaj.

The salon music is performed by members of the Zoltán Kodály Awarded [Rajkó Folk Orchestra](#)

The performance also features a marvellous original Hungarian instrument, the famous "cimbalom". The combination of string instruments and the cimbalom provides a uniquely Hungarian, unforgettable harmony and an outstanding atmosphere on-board.

Wish to hear your favourite popular song in a whole new adaptation?

During the performance, guests will have a chance to ask for their favourite songs from the artists to play.

We will take you on a 2-hour long cruise on one of our air-conditioned ships. After dinner or wine tasting you can also admire the panorama from the open upper deck of the ship.

**The program starts at 19:00!**
