

The Panorama of Budapest is not only an unforgettable experience, but an illustration of the capital's history. The banks - added to the World Heritage List of UNESCO - offer one of the world's most outstandingly beautiful urban cityscapes. The site, inscribed in 1987, stretches from the Chain Bridge to the Technical University on the Buda side; an area containing the Gellért Baths, the Gellért Hill with the Statue of Liberty and the Citadel, furthermore the building ensemble of the Buda Castle.

The vibrant city of Budapest has various faces. At night it calms down, the lights are lit, and a new city awakens after sunset. We created this program for those, who would like to enjoy the

wonderful view of the city swimming in lights, accompanied by a real candlelight atmosphere with a romantic dinner and live music. The delicious meals on our boats, are prepared by Chef Molnárka Péter.

The salon music is performed by members of the Zoltán Kodály Awarded [Rajkó Folk Orchestra](#). The performance also features a marvellous original Hungarian instrument, the famous "cimbalom". The combination of string instruments and the cimbalom provides a uniquely Hungarian, unforgettable harmony and an outstanding atmosphere on-board.

Wish to hear your favourite popular song in a whole new adaptation?

During the performance, guests will have a chance to ask for their favourite songs from the artists to play.

"My husband and I celebrated our 30th wedding anniversary today. The dinner and cruise will stay in our memories for ever. It was a perfect evening. We couldn't fault it in any way. The boat was spotlessly clean including the toilet. White tablecloths and shiny cutlery. Great views from the Windows. The boat wasn't at all over crowded. A great variety of food and of good quality. We enjoyed the live music. We would highly recommend this cruise."

Hello,

The cruise was very pleasant and interesting. The photograph told me he will send me one or two pictures of the Danube at night, but I haven't received anything. Thank you and best regards.

"June 2013

Excellent, great way to start our holiday."

"June 2013

Excellent river cruise! The staff were very friendly and the boat was in tip top condition-very clean and well-maintained. We chose the best time of day for this excursion as we were able to see all the illuminations along the river. Great! We definitely recommend this cruise to all visitors to Budapest."

"June 2013

It was a rainy night, but we still really enjoyed our cruise."

Our cruise started at around 7 pm when it was still light. The dinner buffet was all set when we got seated. There was ample food to go around and the selections were adequate. While there was no one dish that stood out as exemplary, there was no shortage as the food keeps coming out of the kitchen. It is like any other regular buffet with champagne. Waitpersons were all very attentive, filling our water glasses as needed.

After dinner, we were advised by our tour director that we could go up to the upper floor so we can have better view of what this evening cruise has to offer. She was right. This ordinary dinner cruise was enhanced and boosted by the spectacular view of The Parliament and other lighted buildings at night. It was the highlight of the evening! What a sight! This somehow balanced the exorbitant price for such an ordinary buffet.

My husband and I took a Danube Dinner Ship Cruise which included live Music. It was not only romantic but truly spectacular, with the night lights and panoramic views on both sides of the River. The Parliament building viewed from the boat was breathtaking. There was a wide choice of food and drinks and the band was excellent.

Beautiful, grand and unspoilt. Had a wonderful dinner and cruise, just missed seeing most the

trip as we were so busy with the wonderful food and stunning music going on inside.

"Remember to take a night cruise!"

We had a dinner cruise on the wintery February. Dinner was buffet styled with two alcoholic drinks on the lower deck which is covered, hence, we were protected from the chill. We had typical Hungarian dinner from goulash to strudels for desserts. There were some entertainers playing strings and singing. Above the deck of the cruise, we had an opportunity to take great pictures of the Parliament house, the Buda Castle and other night scenes of Budapest, braving the cold. Coming from a tropical country, it is an eye-opener to see ice sheets on the river and ice-breaking when the cruise passed through the river. The cruise lasted about an hour and half. The food was forgettable but the experience of the cruise on the Danube river was exceptional!

"Beautiful!"

All along the Danube is breath taking. A dinner cruise is well worth it! We went on the dinner with live music cruise at 1900hrs. It was 10400 Ft (around \$50 for adults). Food was fantastic, music was great, and the sights amazing after nightfall!

This was excellent seeing all the sights along the Danube lit up. We only had drinks so can't comment on the meal but was worth it just for the trip.
