### PRIVATE TOURS

If you are interested in a private tour (English, German French, Hebrew, Russian, Italian, Spanish, Portuguese, Finnish, Hungarian), we are there for you during the whole year! A private tour ensures that you have your very own guide, start the tour whenever you want and decide what you want to see! In case you want to have more information or want to set up your tour, do not hesitate to contact the Hungária Koncert Ltd.

Our walk through the Jewish Quarter is on the streets of the former Budapest Ghetto, which hosts synagogues, monuments, kosher restaurants, and kosher shops. While your guide tells you important facts and local stories of this area, you also get basic information about Budapest.
