Enjoy a unique over the border sightseeing with our exclusive Budapest and Vienna helicopter flight.

The tour will start from your accommodation in Budapest in the morning, where a pickup will take you straight to Budaörs airport in the outskirts of the city, where you will be greeted with a glass of champagne, to get you in the mood for the coming adventure. After your pilot introduced to you, and you had a chance to get a close look at your means of transport, an imposing 4-passanger private helicopter, you will climb on board, and the chopper will start towards west from Budapest.

During this 1,5 hour long flight toward the capital city of Austria you will also have a chance to get a good look at some of the most magical areas of Hungary and some incredible Austrian lands as well. Your tour will take you over Tatabánya, where you will be able to spot the famous Turul statue on top of “Kő hegy” and the city of Győr as well. One of the most memorable views of your trip to Vienna will probably be the famous Lake Neusiedl, the lake which is halved by the Austrian-Hungarian border. Before arriving at Vienna, you will witness Austria’s many amazing nature reserves and national parks, from the clouds.

In Vienna your pilot will pay attention to show you the most important sights around the city before finally coming to a rest in an airfield on the outskirts of the city. From the airport, you will have a chance to stretch and get ready to see the city of Vienna from up close and personal in an exclusive and especially comfortable private vehicle. Your driver will take you to all of the important places worth visiting in the city and your private guide will tell you everything there is to know about these places and attractions. Don’t hesitate to ask your own questions when witnessing locations such as the Belvedere, the Stephansdom and the Castle of Schönbrunn, in this 6 hour long city sightseeing tour. You may walk around these places to get a detailed look at them, moreover your guide will show you the places off the beaten track, if you wish to see the other faces of this magical city as well.

Following your insightful trip around the capital of Austria, you will be driven back to your private helicopter and after a brief farewell to the city, you will take off and start your journey back to

Budapest. On the way back you will get a chance to see the places you missed the first time around, or take a look at those you liked the best one more time. Your pilot will pay attention to hover closer to the more interesting places, to make sure you will not miss a thing.

You will have opportunity to take photos of the most fascinating places you see on your journey, however you will not have to worry about documenting the whole experience, as your flight will be recorded on multiple GoPro cameras, on board the airplane. We will edit and send you the video of your adventure, so you will be able to take home and share your experience. After arriving back to the airport in Budapest, you will be transported back to your accommodation to ensure the most comfortable homecoming possible after your long and adventurous day.
