Get the best possible view of the largest lake in Central Europe with this special flight of Hungary!

The tour will start from your accommodation in Budapest in the morning, where a pickup will take you straight to Budaörs airport in the outskirts of the city, where you will be greeted with a glass of champagne, to get you in the mood for the coming adventure. After you are introduced to your pilot, and you had a chance to get a close look at your means of transport, a 4-passanger private aircraft, you will start your journey towards Balaton, the largest lake of Central Europe. The plane flies over famous Hungarian towns and areas, which you will have the opportunity to take a closer look at, as it glides as close to the surface as possible.

When arriving to Balaton you will be able to admire the one-of-a-kind beauty of this region from a new perspective. See its magnificent National Parks and Nature Reserves when flying over them with a luxurious private plane! Your pilot will be flying slow and low, so you will have time to admire all the beautiful villages and landscapes you will pass. The flight will go as far as the Tihany peninsula, which is the most famous area of the Balaton region. Here you will witness the stunning Balaton Uplands National Park and the famous Tihany Abbey, which is truly a breathtaking sight from above. The plane will fly back to Budapest following the detailed sightseeing above the Balaton. On the way back, you will have a chance to see the other side of the lake and different regions of the country before you arrive back to the airport.

After the flight you will be transported back to your accommodation to ensure the most comfortable experience possible.
